

# Trailhead Community Farm School Sponsorship Opportunities

2023-2024 Academic Year

Trailhead Community Farm School is a clinically-based academic program on a farm setting for neurodiverse middle and high school students.

Our mission is to provide support to neurodiverse students who have experienced difficulties achieving success in other academic settings while also empowering the family as a whole.

Trailhead Community Farm School is a non-profit organization, and needs community financial support to keep tuition costs low for families.

## Sponsorship Levels:

**Sprout Sponsor**  
\$500+

Multi-Year  
Pledge

## Deep Roots Sponsor

Sponsors at any financial level are invited to make a multi-year pledge to receive the added distinction of becoming a "deep roots" sponsor. Multi-year pledges allow TCFS the ability to plan ahead for sustainability and growth, to serve the most students with the deepest impact.

- Additional recognition on TCFS website and email newsletters
- Student artwork, special update emails, and letters from parents
